**Potentially Exposed to Flooding**

- **Hazardous Material Sites**
  - (CCHS Hazardous Materials Business Plan Program)

**Commercial Parcel Type**

- Auto repair
- Commercial stores (not supermarkets)
- Community facilities; recreational; swim pool association
- Medical; dental
- Motels, hotels, and mobile home parks
- Office buildings
- Service stations; car washes; bulk plants; mini lube
- Vacant

Equivalent Water Levels:
- 100-yr tide + 36” SLR
- 50-yr tide + 48” SLR
- MHHW + 77” SLR
